### **Rockville Park parking lot to close for maintenance**

**Fairfield, California (Wednesday, October 3, 2012)**—The parking lot at Rockville Hills Regional Park will be closed on Wednesday, October 10 and Thursday, October 11 to allow contractors and city crews to complete the parking lot maintenance project that began in August.

Rockville Park will remain open during the work; however, there will be limited parking available on the shoulder of Rockville Road.

Rockville Hills Regional Park is 633 acres in size and is owned and managed by the City of Fairfield. It is a popular destination for hikers and mountain bikers from throughout the Bay Area.

#### **About the Public Works Department**

City of Fairfield Public Works employees include those who maintain, operate, and manage the water treatment and distribution systems, sewer collection systems, storm drainage systems, public transportation, public buildings, parks and landscaping, streets, traffic control devices, and the City fleet. In addition, they oversee the preparation of all private and public development plans, and are responsible for reviewing new construction and public improvements within the city of Fairfield. The Public Works Department is committed to planning, designing, building, operating, and maintaining infrastructure and facilities that will stand the test of time. To learn more about the projects and services provided by the Public Works Department, please refer to the City of Fairfield's website [www.fairfield.ca.gov](http://www.fairfield.ca.gov).
